# Meet the Bread Head!

*Ann Graham is our jack-of-all-trades extraordinaire! After earning her B.A. in Recreation from WWU a few years back, Ann switched tacks and joined our crew nearly five years ago.*

*Though Ann is generally seen around the bakery as counter staff lead, she works a ton behind-the-scenes on planning and scheduling, hiring, staff training, and leading our children's tours (her past experience working with kids comes in handy for this). Full credit goes to Ann for the recipe development of our DELICIOUS seasonal Cherry Cheesecake Brownies and Lemon Bars! She loves the freedom to create new, interesting products & being able to share a passion for quality, nutritious foods with both staff and customers alike (a new favorite bread is our wheat-free whole grain Kamut® bread made on Thursdays).*

*In her spare time when NOT helping to make the bakery run smoothly, Ann trains in mixed martial arts, loves to cook (and has an awesome knife set to prove it), and she can claim that she rides her bike to work almost every day!*

*We are thrilled to have Ann around to make our bakery even better every day.*

Baked fresh for St. Patty's Day daily at 10 am, March 2-20.*

*We're also making our Rhubarb Rush again this year to welcome in the spring! We'll have this beautiful loaf over the Easter holiday, a perfect addition to your holiday brunch. Baked fresh daily at 10 am, March 23rd-April 17th.*
