

Bread Menu

Do you know why our bread tastes so good? We mill flour every day and use real honey. These things make our bread more nutritious and stay fresher longer without preservatives.

Milling Whole Grain Flours Since 1979!

Most of our breads start with freshly ground 100% Whole Grains. We grind our Montana red wheat, whole organic spelt, organic Kamut®, and organic rye fresh daily with our own granite stone flour mill. We are proud to be serving Bellingham the best bread for almost 40 years.
