**BECAUSE YOU ARE WHAT YOU EAT,
WE USE SUPER AWESOME INGREDIENTS!**

IT STARTS WITH FRESHLY GROUND 100% WHOLE GRAINS

The secret to our great bread is really no secret at all... it starts with the best grains in the world! Our flours are premium quality, and we are millers and bakers under one roof. We grind our Montana Red wheat, whole organic spelt, organic Kamut®, golden and organic wheat flours, and organic rye fresh daily using our own granite stone flour mill, for the kind of freshness you can smell right in the flour.

THEN WE DO ADD SUPER INGREDIENTS!

We use pure butter and cane sugar, and we crack our own local eggs by hand every day. We even coat our bread pans with organic coconut oil and use double-filtered water in all our bread! As they say, the proof is in the pudding, or in our case, the bread. We use fresh, unprocessed ingredients to produce the most fantastic flavors and nutritious food!

OUR WEBSITE AND E-NEWSLETTER FEATURE UPCOMING SEASONAL SPECIALS AND NEWS! YOU CAN SIGN UP EITHER IN THE STORE OR ON OUR WEBSITE. AND STOP BY OUR FACEBOOK AND INSTAGRAM PAGES TO KEEP UP WITH WHAT'S FRESH!

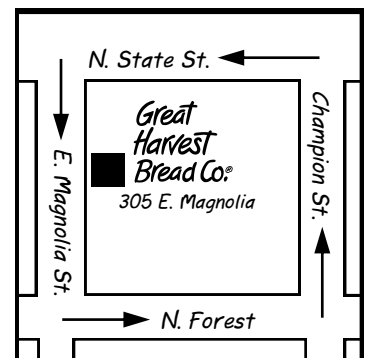

WE DON'T ADD A LOT OF THINGS YOU MIGHT FIND IN OTHER BREAD...

We believe that simpler is better... So we don't use high-fructose corn syrup, trans fats, aerosol pan sprays, emulsifiers, or preservatives to "maintain freshness." Our bread made from freshly-ground grains lasts 7-10 days on your kitchen counter!

BOUNTIFUL GIFT BOXES & BAGS!
